

The 12th UK Dialysis & VASBI Conference

“Dialysis at the Limits”

The Lowry Hotel, Dearman’s Place, Manchester
25th, 26th and 27th September, 2019

Wednesday 25th September 2019

VASBI programme (see flyer attached, final programme to be distributed May 2019)

Promoting excellence in vascular access for dialysis (TBC)

Thursday 26th September 2019

08.30-10.00 **Industry Breakfast Symposium A [Meeting rooms 7&8]**

9:30 **Introduction** Sandip Mitra

9:45-10:45 – **VASBI Session Chair**

10:45-12:15 – **Assistance in Home Dialysis**

Chairs: Natalie Borman, Paul Gibbs

10:45-11:00: Supporting HHD at home
11:00-11:35: Personal Support worker AHHD
11:35-12:05: Assisted cannulation at home
12:05-12:15: Discussion

Rehana Iqbal (Patient Carer Manchester)
Andreas Pierratos (Canada) *
Maxence Ficheux (France) *

12.15- 13.30 Lunch & Exhibition

12.15- 13.00 Industry Symposium B with Lunch [Meeting rooms 7 & 8]

13:30-15:00 – **Assistance in Home Dialysis**

Chair: Richard Fluck

13:30-13:45: Patient Perspective on Assisted PD
13:45-14:25: APD where is the UK now;
The Home first approach
14:25-14:50: Feasibility of Assisted HD in the NHS
14:50-15:00: Discussion

(TBC)
Edwina Brown (London)
Kunaal Kharbanda (Manchester) *

1500-1530 Refreshments & Exhibition

15:30-16:20 KeyNote Lecture

Chair: Ken Farrington

“25 yrs experience of Achieving Excellent Outcomes in Incentre Dialysis”

Guest Speaker Prof Ikato Masakane (Japan)

16:30 & 17:30 1 hr Multidimensional Workshop Facilitated by Moderators

16:30-17:30 Selection of Workshops (Choose one)

- | | |
|--|------------------|
| A) Vascular access practical workshop | Sarah Kattenhorn |
| B) Managing ongoing comorbidities in dialysis patients | Andrew Frankle |
| C) Patient Safety in Home and Incentre dialysis | Leonard Ebah |

17:30-18:30 Selection of Workshops (Choose one)

- | | |
|--|------------------|
| A) Vascular access practical workshop | Sarah Kattenhorn |
| B) Managing ongoing comorbidities in dialysis patients | Andrew Frankle |
| C) Patient Safety in Home and In-centre dialysis | Leonard Ebah |

19:30 Drinks Reception

20:00 Conference Dinner

Friday 27th September 2019

08.30 Breakfast/Refreshments

09:00-10:30 Digital Support In Dialysis

Chairs: Cormac Breen, Dal Hothi

- | | |
|--|--------------------------------|
| 09:00–09:20: How technology has changed my dialysis experience | (TBC) |
| 09:20 09:40: Supporting clinical team with technology | Michelle Blaauw (GOSH,London) |
| 09:40-10:10: What is new in technology Support in Dialysis | Siva Sridharan (Hertfordshire) |

10:15-11:00 – Coffee & Exhibition

10:15-10:30 Industry Symposium C [Meeting rooms 7 & 8]

11:00-13:30 Stepping into the Future in Dialysis Care Chair Alastair Hutchison, Clara Day

- | | |
|--|-----------------------------|
| 11:00-11:35: Protein leakage in Dialysis and MCO membrane | Laurent Juillard (France) |
| 11:35-12:10: Evolution in Dialysis Technology | Andreas Pierratos (Canada) |
| 12:10-12:35: Dialysis trials delivery, challenges and outcomes | Rob Lewis (Portsmouth) |
| 12:35-13:00: Patient Activation and Dialysis - Next steps | Rachel Gair (UKRR, Bristol) |
| 13:00-13:25: Process Improvement though GIRFT in Dialysis | William Mckane (Sheffield) |

Closing Remarks

13:30- Lunch & Exhibition

Organising Faculty

Core faculty: Sandip Mitra, Clara Day, Cormac Breen, Daljit Hothi, Natalie Borman, Enric Vilar
Advisory Faculty: Alastair Hutchison, Roger Greenwood, Richard Fluck, Ken Farrington
IT and Education lead Siva, Anu Jayanti

Conference Secretariat: Diane Comer
