

Leading European Nephrology

The 12th UK Dialysis & VASBI Conference

“Dialysis at the Limits”

The Lowry Hotel, Dearmans Place, Manchester

25th, 26th and 27th September, 2019

Wednesday 25th September

VASBI programme Promoting excellence in Vascular Access care (See Separate Programme)

Thursday 26th September

08.00 – 09.30 Registration

08.30-09.30 Industry Breakfast Symposium A – TBC [Meeting rooms 7&8]

09:30 - 09:45	Introduction to the 12th Annual Dialysis Conference	Sandip Mitra
09:45 - 10:45	Combined ADC and VASBI Session	Chair: Paul Gibbs, Natalie Borman
10:45 - 12:15	Assistance in Home Dialysis	Chair: Natalie Borman

Breakdown of this session:

10:45-11:00	Supporting HHD at home	Dialysis Patient Carer (Manchester)
11:00-11:35	Assisted cannulation at home	Maxence Ficheux (France)
11:35-12:05	Feasibility of Assisted HD in the NHS	Kunaal Kharbanda (Manchester)
12:05-12:15	Discussion	

12.15 - 13.30 Lunch & Exhibition

12.15- 13.00 Industry Symposium B with Lunch - TBC [Meeting rooms 7 & 8]

13:30-15:00	Digital Support in Dialysis	Chair: Cormac Breen, Dal Hothi
-------------	------------------------------------	--------------------------------

Breakdown of this session:

13:30-13:50	How technology has changed my dialysis experience	Elizabeth Jukes
13:50-14:15	Supporting clinical teams with technology	Michelle Blaauw (GOSH, London)
14:15-14:45	What is new in technology support in Dialysis	Siva Sridharan (Hertfordshire)
14:45-15:00	Discussion	

15.00-15.30 Refreshments & Exhibition

15.30 - 16.20 **KeyNote Lecture**

Chair: Ken Farrington

Patient-centered dialysis care: Lessons from the Japanese experience

Professor Ikuto Masakane (Yamagata, Japan)

16.30 & 17.30: 1 hour Multi-dimensional Workshop Facilitated by Moderators

16:30-17:30 – **Selection of Workshops (Choose one)**

- 1) Vascular access practical workshop – *Claire Whitehill/Sarah Kattenhorn/Paul Gibbs*
- 2) Managing ongoing comorbidities in dialysis patients - *James Burton/Jo Reed*
- 3) Patient Safety in Home and Incentre dialysis - *Louise Pittendrigh*

17:30-18:30 – **Selection of Workshops (Choose one)**

- 1) Vascular access practical workshop – *Claire Whitehill/Sarah Kattenhorn/Paul Gibbs*
- 2) Managing ongoing comorbidities in dialysis patients – *James Burton/Jo Reed*
- 3) Patient Safety in Home and Incentre dialysis - *Louise Pittendrigh*

19:30 Onwards - Drinks Reception

20:00 Conference Dinner at the Lowry Hotel

Friday 27th September 2019

08.00-09.00 Breakfast/Refreshments

09:00 - 10:30 **Assistance in Home Dialysis**

Chair: Richard Fluck

09:00 - 09:15 Patient Perspective on Assisted PD

Speaker TBC

09:15 - 09:45 APD where is the UK now, the home first approach

Prof E Brown (London)

09:45 - 10:15 Personal Support worker AHHD

Prof Andreas Pierratos (Canada)

10:15 - 10:30 Discussion

10:30-11:00 – Coffee & Exhibition

10:30-10:45 Industry Symposium C [Meeting rooms 7 & 8]

11:00 - 13:30 **Stepping into the Future in Dialysis Care**

Chair: Alastair Hutchison, Clara Day

11:00 - 11:35 **Keynote Lecture: Evolution in Dialysis Technology**

Prof Andreas Pierratos (Canada)

Breakdown of this session:

11:35-12:10 Protein leakage in Dialysis and MCO membrane

Prof Laurent Juillard (France)

12:10-12:35 Dialysis trials delivery, challenges and outcomes

Rob Lewis (Portsmouth)

12:35-13:00 Patient Activation and Dialysis – what is next?

Rachel Gair (UKRR, Bristol)

13:00-13.25 GIRFT Initiative – impacting care in dialysis

William Mckane (Sheffield)

13:30 **Conference Close with lunch & exhibition**

Organising Faculty

Core faculty: Sandip Mitra, Clara Day, Cormac Breen, Daljit Hothi, Natalie Borman, Enric Vilar
Advisory Faculty: Alastair Hutchison, Roger Greenwood, Richard Fluck, Ken Farrington
IT and Education lead Siva Sridharan, Anu Jayanti

Conference Secretariat: diane@medicusconferences.org

Accredited by Royal Colleges of Physicians, UK for External CPD credits
